

## **Cabinet secretary reviews Government of India Projects over Executive Video Conferencing System (EVCS) setup by NIC Kerala**

Cabinet Secretary Shri K. M. Chandra Sekhar conducted a videoconferencing on EVCSNET on 13th March, 2009 for reviewing the performance of various project & schemes of Government of India with various states from cabinet secretariat, New Delhi. The Conference started at 10:00 AM with opening remarks by Cabinet Secretary, who interacted with Chief Secretaries.

The Chief Secretary Kerala Sri.K.J Mathew, Principal Secretary Sri.S.M.Vijayanand IAS and Secretary planning Sri. Tika Ram Meena IAS attended the conference through Executive Video Conferencing System (EVCS) of National Informatics Centre (NIC) which is installed at Chief Secretary's committee room in the Government Secretariat Kerala. Chief Secretary appreciated NIC efforts in the establishment of EVCSNET in the Government Secretariat.

Secretary planning commission and other Secretaries of GOI like Rural Development, Urban development, Road transport, Railways, Power, Commerce, Financial services and expenditure were present during the videoconferencing Session at Cabinet Secretariat.

On this occasion 12 Secretaries of GOI, i.e. Labor and Employment, Agriculture and cooperation, Health and family welfare, Micro enterprises, Coal, Women and child development, Home affairs, Drinking water and Border Management etc were connected through videoconferencing on EVCSNET from their respective offices.
