

Demonstration of e-Procurement through VC for officials of Government of Manipur.

Demonstration of GePNIC software for e-Procurement was held between NIC, Manipur and NIC, Chennai for the officials of Government of Manipur through VC on 30.01.2009 at 10.30 am. The session was jointly organized by NIC & Department of ST & IT, Government of Manipur for implementing e-Procurement/ e-Tendering solution for the Government of Manipur. The session was started with inaugural speech by Shri Ram Muivah, Commissioner (Works, ST&IT). The participants were mainly from Engineering Departments of State Government.

Mr Srinivasa Raghavan K, STD and M. Manivannan, STD, NIC, Chennai gave a detailed presentation of the software and highlighted all the features of the application including security features using DSC. After the presentation of the s/w, some reports formats were shown and demonstrated the e-procurement portal of Tamil Nadu <http://tntenders.gov.in>.

The session was interactive and many queries from the participants were clarified and lasted for about 2 Hrs.

The session was closed with thanks from Director ST&IT, Government of Manipur with the proposal of starting pilot implementation with limited tender value for Government of Manipur. He also

sought the expertise help from NIC, Chennai for implementing the project in Manipur along with NIC, Manipur.
